

BUYLOTTONOW DEBIT CARD

The **BuyLottoNow** debit card is accepted at 197,000 convenience stores and supermarkets that accept debit payment for lottery purchases. (Not available in South Carolina and Tennessee.)

For Consumers it's.....

- The cashless way to buy lottery draw & scratch-off tickets.
- No need to carry or plan on having cash for lottery.
- Don't be limited by the cash in your pocket.
- See the winning payouts – BuyLottoNow sends you the winning numbers after each draw game.
- Find out the Hot & Cold numbers for the last 10, 20, 50 and 100 Powerball, Mega Millions and more favorite draw games.

A new product offering that provides a merchant.....

- No Processing Fees – BuyLottoNow charges the player a convenience fee of \$0.50 per transaction regardless of the purchase amount.
- No POS integration -- Works as a standard debit card or mobile debit payment. Guaranteed next business day settlement.
- Lottery as a loyalty program — BuyLottoNow makes a Merchant a VIP location for lottery players. Unlike cash or Visa and Mastercard cards, BuyLottoNow knows who the player is, when the player is buying, how much and how often. BuyLottoNow can target merchant-branded email campaigns to acknowledge recent purchases, past results or large jackpots with couponing to drive in-store sales. NO COST FOR EMAIL CAMPAIGN.

BuyLottoNow is not affiliated with a state lottery or its vendors. **BuyLottoNow** is defined under federal regulations as a payment network.
